IMPORTANT NOTICE

In re: Internal Assessment and Attendance of students for Appearing At ensuing Exams :

The Board of Studies of the Faculty, in its meeting held on 28-04-2022, decided that the 'eligibility criteria' for appearing in any examinations by students of Para Medical Courses be reinstated from the current year [2022] onwards.

The salient points that are emerging out of the aforesaid decision, are to be noted as follows :-

- 1 It was decided to dispense with Internal Assessment from the Academic Session beginning 1st September, 2019, meaning thereby that, the marks obtained in Internal Assessment by any student of a Para Medical Course admitted in the Academic Session 2019-2021 onwards, would not be incorporated in his / her Mark Sheet as a component to be added to the Pass Mark of any individual subject.
- 2 However, the students who are due to sit for the Preliminary Examinations and Final Examinations in September, 2022, are required to undergo Internal Assessment at their respective Institute in each segment i.e. Theory/Practical/ Oral & Practical, of any of the Para Medical Courses in which they are being taught.
- 3 The qualifying 'Pass Mark' in Internal Assessment is **50% [Fifty Percent]** each in Theory /Practical / Oral & Practical.
- 4 The students, who would obtain the qualifying **50%** or more marks in Internal Assessment, would need to be declared by the concerned Institute as '**Passed**', and, names of such students are to be submitted in the prescribed SLIP ROLLS, to be issued by Faculty Office, **within July, 2022**, to enable the Faculty office to arrange for issuing Admit Cards for them in time.
- 5 Attendance : Minimum **75 %** attendance, both in Theory and Practical Classes, is to be obtained by a student for appearing at any examinations.

The Principals / the Directors / The Deans of Students Affairs / The Heads, of Medical Colleges / Govt Institutions / Affiliated Institutions, are requested to kindly be so good as to arrange to disseminate the information to all concerned for the sake of safeguarding the interests of the students of Para Medical Courses.
