AN URGENT APPEAL

In the awake of Corona Virus (COVID-19) throughout the country the Doctors, Nurses, Paramedics and other related Staff and Officers are putting their untiring efforts to the patients who have been affected with this disease as also eradication of this virus from the country.

Nevertheless, their untiring efforts are saved the valuable lives of the Mankind as well as further encroachment of this disease. We sincerely appreciate their move and salute to their stand in this juncture. However, Government has cancelled all kind of their leaves at this crisis.

However, it has been brought to my notice by the certain Medical Colleges that some of the Para Medical students who are undergoing internship in different Medical Colleges and Government Institutions are not reporting their duties at this emergent situation.

My Ernest appeal to them at this impending crisis to resume their duties immediately and report to the concerned Principals / Directors / Heads of Government Institutions.

Government will provide them all the facilities like transport, food etc. For any problem contact Respective Principals / Directors / Heads of Government Institutions.

[D K Ghosh]
Secretary, SMFWB
